11 with the authority that provide for regulation by the authority of
12 the planning, development, and management of a housing project
13 undertaken by the nonprofit housing corporation, consumer housing
14 cooperative, limited dividend housing corporation, mobile home park
15 corporation, or mobile home park association or that provide for
16 the disposition of the property and franchises of the corporation,

7 **defined under 42 USC 1437a.**

8 (u) To review and approve rental charges for authority-

25 24.328, or to obtain and maintain the tax exempt status of
26 authority bonds and notes. ~~However, the~~ **The** authority shall not use
27 a due on sale or acceleration clause solely for the purpose of

6 the authority shall provide in its loan documents relating to a
7 single family loan that the single family loan may be assumed by a
8 new purchaser only when the new purchaser qualifies under the
9 authority income limitations rules, unless such a restriction
10 diminishes or precludes the insurance or a guarantee by an agency
11 of the federal government with respect to the single family loan. A
12 loan made for a mobile home that the borrower does not intend to
13 permanently affix to real property shall become immediately due and
14 payable if the mobile home is moved out of the state. Any
15 restrictions on conveyance by sale, conveyance by land contract, or
16 transfer that are authorized in this section ~~shall~~ apply only to

18 held by, the authority and may, at the option of the authority, be
19 enforced by accelerating and declaring immediately due and payable
20 all sums evidenced by the note held by the authority. An
21 acceleration and declaration of all sums to be due and payable on
22 conveyance by sale, land contract, or transfer is not an
23 unreasonable restraint on alienation. An acceleration and
24 declaration, unless otherwise prohibited in this subdivision, of
25 all sums to be due and payable under this subdivision is
26 enforceable in any court of competent jurisdiction. This
27 subdivision ~~is applicable~~ **applies** to secured and unsecured loans ~~-~~
28 ~~This subdivision is also applicable to~~ **and** loan documents utilized
29 in conjunction with an authority-operated program of residential

4 (w) To set forth in the various loan documents of the
5 authority remedies for the making of a false statement,
6 representation, or pretense or a material misstatement by a
7 borrower during the loan application process. Without limiting the
8 authority's power to pursue other remedies, the authority shall
9 provide in its loan documents that, if a borrower makes a false
10 statement, representation, or pretense or a material misstatement
11 during the loan application process, the authority, at its option,
12 may accelerate and declare immediately due and payable all sums
13 evidenced by the note held by the authority. An acceleration and
14 declaration of all sums to be due and payable as provided in this
15 subdivision is enforceable in any court of competent jurisdiction.
16 This subdivision ~~is applicable~~ **applies** to secured and unsecured
17 loans.

18 (x) To collect interest on a real estate loan, the primary

22 that is lawful ~~without regard to~~ **notwithstanding** this subdivision.

24 accomplish the preservation of housing in this state available for
25 occupancy by persons and families of low or moderate income.

26 (z) To verify for the state treasurer statements submitted by

4 and payable from the sources and with the security, if any, as
5 determined by a resolution of the authority.

6 (bb) To make working capital loans to contractors or
7 subcontractors on housing projects financed by the authority. The
8 authority shall submit an annual report to the legislature
9 containing the amount, recipient, duration, circumstance, and other
10 related statistics for each capital loan made to a contractor or
11 subcontractor under this subdivision. The authority shall include
12 in the report statistics related to the cost of improvements made
13 to adapt property for use by disabled individuals as provided in
14 section 32b or 44.

15 (cc) Subject to rules of the civil service commission, to
16 adopt a code of ethics with respect to its employees that requires
17 disclosure of financial interests, defines and precludes conflicts
18 of interest, and establishes reasonable post-employment
19 restrictions for a period of up to 1 year after an employee
20 terminates employment with the authority.

21 (dd) To impose covenants running with the land in order to
22 satisfy requirements of applicable federal law with respect to
23 housing assisted or to be assisted through federal programs such as
24 the low income housing tax credit program or the home investment
25 partnerships program. These covenants shall be imposed by executing
26 and recording regulatory agreements between the authority, or a
27 municipality or other entity designated by the authority, and the
28 person or entity to be bound. The covenants shall run with the land
29 and be effective with respect to the parties making the covenants

1 and other intended beneficiaries of the covenants, even though
2 there is no privity of estate or privity of contract between the
3 authority and the persons or entities to be bound.

4 (ee) To impose covenants running with the land in order to
5 satisfy requirements of applicable state or federal law with
6 respect to housing financed by the authority. These covenants shall
7 be imposed by executing and recording regulatory agreements between
8 the authority and the person or entity to be bound. The covenants
9 shall run with the land and be effective with respect to the
10 parties making the covenants and other intended beneficiaries of
11 the covenants, even though there is no privity of estate or privity
12 of contract between the authority and the persons or entities to be
13 bound. With respect to any applicable environmental laws, this
14 subdivision does not grant to the authority any additional rights,
15 privileges, or immunities not otherwise afforded to a private
16 lender that is not in the chain of title for the land.

17 (ff) To participate in programs designed to assist persons and
18 families whose incomes do not exceed 115% of the greater of
19 statewide median gross income or the area median gross income
20 become homeowners where loans are made by private lenders for
21 purchase by the government national mortgage association, federal
22 national mortgage association, federal home loan mortgage
23 corporation, or other federally chartered organizations.
24 Participation may include providing or funding homeownership
25 counseling and providing some or all of a reserve fund to be used
26 to pay for losses in excess of insurance coverage.

27 (gg) To invest, under the conditions prescribed in this
28 subdivision and without the consent of the escrow depositors, up to
29 20% of funds held, by or for the authority, in escrow accounts for

1 the benefit of the authority or mortgagors of authority-financed
2 housing. The investments under this subdivision shall be made in
3 loans originated or purchased by the authority for construction or
4 rehabilitation of multifamily housing developments for occupancy by
5 persons or families without regard to income. In connection with
6 loans described in this subdivision, the authority may charge and
7 retain fees in amounts similar to those charged with respect to
8 similar loans for which the source of funding does not come from
9 escrow accounts. For purposes of this subdivision, "escrow account"
10 means any account or reserve held by the authority and established
11 in a mortgage or a regulatory agreement to which the authority is a
12 party or which has been assigned to the authority. ~~However, for~~ **For**
13 purposes of this subdivision, escrow account does not include any
14 account labeled in the associated regulatory agreement as
15 "development cost escrow principal" or "operating assurance
16 reserve". For purposes of this subdivision, "multifamily housing
17 development" means a development in which not less than 50% of the
18 floor space is used primarily for residential purposes. The
19 investment authorized by this subdivision ~~shall~~ **must** not be made
20 unless both of the following requirements are met:

21 (i) The return on the loan is approximately equivalent to that
22 which could be obtained from investments of substantially similar
23 credit quality and maturity, as determined by the authority.

24 (ii) The authority agrees to pay with its own funds the
25 principal balance of any loan, made with the escrow funds, that
26 becomes delinquent in excess of 30 days. This subdivision does not
27 obligate the authority to purchase a delinquent loan so long as
28 with respect to that loan the authority pays to the escrow funds
29 from its own funds the amount of the delinquent payments. The

1 authority's election to pay the delinquent payments to the escrow
 2 funds does not in any manner abate or cure the delinquency of the
 3 loan and the authority may resort to any remedies that would exist
 4 in the absence of that payment.

5 (hh) To acquire, develop, rehabilitate, own, operate, and
 6 enter into contracts with respect to the management and operation

 14 125.2709.

15 (ii) The urban homesteading on vacant land act, 1999 PA 129,
 16 MCL 125.2741 to 125.2748.

17 (iii) The urban homesteading in single-family public housing
 18 act, 1999 PA 128, MCL 125.2761 to 125.2770.

19 (iv) The urban homesteading in multifamily public housing act,
 20 1999 PA 84, MCL 125.2721 to 125.2734.

21 (jj) To implement and administer a housing and community
 22 development program as described in this act.

23 (kk) To implement, administer, or execute administrative,
 24 substantive, or supervisory powers ~~pursuant to~~ **under** the individual
 25 or family development account program act, 2006 PA 513, MCL 206.901
 26 to 206.911.

27 **(ll) To establish, implement, and administer the housing**
 28 **opportunity tax credit program under section 22e.**

29 **Sec. 22e. (1) The authority, in cooperation with the**

1 department of treasury, shall establish, implement, and administer
2 a housing opportunity tax credit program to encourage the
3 development of qualified projects in this state.

4 (2) For award cycles beginning on and after January 1, 2027,
5 the authority shall, in conjunction with applications received
6 under section 22b, accept applications for housing opportunity tax
7 credits under this section. Subject to the award cycle cap under
8 subsection (4) and the limitations under this section, the
9 authority shall not issue an award for an annual housing
10 opportunity tax credit under this program for a qualified project
11 that exceeds the lesser of the following:

12 (a) The amount necessary for the financial feasibility of the
13 qualified project.

14 (b) The adjusted annual federal credit amount for the
15 qualified project.

16 (3) A person seeking a housing opportunity tax credit under
17 this section shall submit an application in a form and manner as
18 prescribed by the authority. The authority shall review completed
19 applications for housing opportunity tax credits received for 4%
20 qualified projects on a first-come, first-served basis. The
21 authority shall treat all complete applications received on the
22 same day as having been received simultaneously. If the
23 applications received for 4% qualified projects exceed the portion
24 of the award cycle cap set aside under subsection (4) (b) and (c) on
25 any day, the authority shall establish an evaluation methodology to
26 determine which of the 4% qualified projects applications are
27 approved and issued an award of a housing opportunity tax credit.
28 The evaluation methodology required under this subsection must be
29 limited to factors that maximize efficient unit production,

1 including, but not limited to, each of the following:

2 (a) The amount of the housing opportunity tax credit requested
3 for each unit under the proposed qualified project.

4 (b) The number of units to be preserved or created under the
5 proposed qualified project.

6 (c) The estimated development period of the proposed qualified
7 project from the initial award to placing the proposed qualified
8 project in service.

9 (4) For the 2027 award cycle, the authority shall not allocate
10 a total of more than the base annual amount of \$42,000,000.00 for
11 housing opportunity tax credits under this section. For each award
12 cycle after the 2027 award cycle, to determine the award cycle cap
13 for that award cycle, the base annual amount for the immediately
14 preceding award cycle must be adjusted annually by the percentage
15 increase in the United States Consumer Price Index for the
16 immediately preceding calendar year. The total amount of all
17 housing opportunity tax credits for which an award is issued under
18 this section must not exceed the award cycle cap for any award
19 cycle. For each application window, the authority shall approve and
20 allocate not less than 45% of the award cycle cap for that award
21 cycle to qualified projects to the extent that the authority
22 receives a sufficient number of applications. If, at the end of an
23 application window, the authority has not received a sufficient
24 number of completed applications to allocate the amount set aside
25 under subdivision (a), (b), (c), or (d), the authority may
26 reappportion the unallocated credit amounts to other qualified
27 projects in accordance with the qualified allocation plan or an
28 alternative competitive process. Except as otherwise provided under
29 this subsection, the amount of the award cycle cap allocable for

1 each award cycle must be set aside as follows:

2 (a) Up to 50% to any qualified project at the authority's
3 discretion.

4 (b) Not less than 25% must be available during the application
5 window to 4% qualified projects that are new construction.

6 (c) Not less than 25% must be available during the application
7 window to 4% qualified projects that are preservation.

8 (d) Not less than 30% of the amounts set aside under
9 subdivisions (a) through (c) to qualified projects that are located
10 in a rural area.

11 (5) If the authority approves an application for a housing
12 opportunity tax credit, the authority shall send a binding
13 reservation letter of eligibility to the applicant that states the
14 amount of the housing opportunity tax credit awarded for each year
15 of the qualified project's credit period. The reservation letter
16 must clearly stipulate that the housing opportunity tax credit
17 awarded is contingent on the authority's approval of a final cost
18 certification and the issuance of an eligibility statement. On
19 completion of a qualified project, the owner shall submit a final
20 cost certification and a request for the issuance of an eligibility
21 statement to the authority. On approval of the final cost
22 certification, the authority shall issue an eligibility statement
23 to the owner for the qualified project. The eligibility statement
24 must state the amount of the housing opportunity tax credit that
25 may be claimed against an applicable tax each year of the credit
26 period.

27 (6) If an owner that has been awarded a housing opportunity
28 tax credit for a qualified project under this section is a flow-
29 through entity, the owner may, in a form and manner as prescribed

1 by the authority, allocate all or a portion of the housing
2 opportunity tax credit attributable to that qualified project to
3 some or all of its members, including any not-for-profit entity
4 that is a member, in any manner agreed to by its members,
