10 registration under this act shall apply to the secretary of state,
11 on an appropriate form furnished by the secretary of state, for the
12 registration of the vehicle and issuance of a certificate of title
13 for the vehicle. A vehicle brought into this state from another
14 state or jurisdiction that has a rebuilt, salvage, scrap, flood, or
15 comparable certificate of title issued by that other state or
16 jurisdiction must be issued a rebuilt, salvage, scrap, or flood
17 certificate of title by the secretary of state. The application
18 must be accompanied by the required fee. An application for a
19 certificate of title must bear the signature or verification and
20 certification of the owner. The application must contain all of the
21 following:

22 (a) The owner's name, the owner's bona fide residence, and

1 time of transfer; whether the vehicle is a flood vehicle or another
2 state previously issued the vehicle a flood certificate of title;
3 whether the vehicle is to be or has been used as a taxi or police
4 vehicle, or by a political subdivision of this state, unless the
5 vehicle is owned by a dealer and loaned or leased to a political
6 subdivision of this state for use as a driver education vehicle;
7 whether the vehicle has previously been issued a salvage or rebuilt
8 certificate of title from this state or a comparable certificate of

16 placed on the trailer coach or pickup camper in the manner and
17 place designated by the secretary of state.

18 (c) A statement of the applicant's title and the names and
19 addresses of the holders of security interests in the vehicle and
20 in an accessory to the vehicle, in the order of their priority.

21 (d) Further information that the secretary of state reasonably
22 requires to enable the secretary of state to determine whether the
23 vehicle is lawfully entitled to registration and the owner entitled
24 to a certificate of title. If the secretary of state is not
25 satisfied as to the ownership of a vehicle having a value over
26 \$2,500.00, or \$5,000.00 for a new vehicle dealer licensed under
27 this act, or that is less than 10 years old, before registering the
28 vehicle and issuing a certificate of title, the secretary of state
29 may require the applicant to file a properly executed surety bond

1 in a form prescribed by the secretary of state and executed by the
2 applicant and a company authorized to conduct a surety business in
3 this state. The bond must be in an amount equal to ~~twice~~ **2 times**
4 the value of the vehicle as determined by the secretary of state
5 and must be conditioned to indemnify or reimburse the secretary of
6 state, any prior owner, and any subsequent purchaser or lessee of
7 the vehicle and their successors in interest against any expense,
8 loss, or damage, including reasonable attorney fees, because of the
9 issuance of a certificate of title for the vehicle or on account of
10 any defect in the right, title, or interest of the applicant in the
11 vehicle. An interested person has a right of action to recover on
12 the bond for a breach of the conditions of the bond, but the
13 aggregate liability of the surety to all persons must not exceed
14 the amount of the bond. If the secretary of state is not satisfied
15 as to the ownership of a vehicle that is valued at \$2,500.00, **or**
16 **\$5,000.00 for a new vehicle dealer licensed under this act**, or less
17 and that is 10 years old or older, the secretary of state shall
18 require the applicant to certify that the applicant is the owner of
19 the vehicle and entitled to register and title the vehicle.

20 (e) Except as provided in subdivision (f), an application for
21 a commercial vehicle must also have attached a scale weight receipt
22 of the motor vehicle fully equipped as of the time the application
23 is made. A scale weight receipt is not necessary if there is
24 presented with the application a registration receipt of the
25 previous year that shows on its face the empty weight of the motor
26 vehicle as registered with the secretary of state that is
27 accompanied by a statement of the applicant that there has not been
28 structural change in the motor vehicle that has increased the empty
29 weight and that the previous registered weight is the true weight.

1 (f) An application for registration of a vehicle on the basis
2 of elected gross weight must include a declaration by the applicant
3 specifying the elected gross weight for which application is being
4 made.

5 (g) If the application is for a certificate of title of a
6 motor vehicle registered in accordance with section 801(1)(p), the
7 application must include the manufacturer's suggested base list
8 price for the model year of the vehicle. The base list price must
9 be the manufacturer's suggested retail price as shown on the label
10 required to be affixed to the vehicle under 15 USC 1232. If the
11 manufacturer's suggested retail price is unavailable, the
12 application must list the purchase price of the vehicle. As used in
13 this subdivision, "purchase price" means that term as defined in
14 section 801.

15 (2) An applicant for registration of a leased pickup truck or
16 passenger vehicle that is subject to registration under this act,
17 except a vehicle that is subject to a registration fee under
18 section 801g, shall disclose in writing to the secretary of state
19 the lessee's name, the lessee's bona fide residence, and either of
20 the following:

21 (a) If the lessee is an individual, the lessee's Michigan
22 driver license number or Michigan personal identification number
23 or, if the lessee does not have a Michigan driver license or
24 Michigan personal identification number, the lessee's mailing
25 address.

26 (b) If the lessee is a firm, association, partnership, limited
27 liability company, or corporation, the lessee's business address.

28 (3) The secretary of state shall maintain the information
29 described in subsection (2) on the secretary of state's computer

1 records.

2 (4) Except as provided in subsections (5), (11), and (12), a
3 dealer selling, leasing, or exchanging vehicles required to be
4 titled, within 21 days after delivering a vehicle to the purchaser
5 or lessee, and a person engaged in the sale of vessels required to
6 be numbered by part 801 of the natural resources and environmental
7 protection act, 1994 PA 451, MCL 324.80101 to 324.80199, within 21
8 days after delivering a boat trailer weighing less than 2,500
9 pounds to the purchaser or lessee, shall apply to the secretary of
10 state for a new title, if required, and transfer or secure
11 registration plates and secure a certificate of registration for
12 the vehicle or boat trailer, in the name of the purchaser or
13 lessee. Subject to subsection (11), the dealer's license may be
14 suspended or revoked in accordance with section 249 for failure to
15 apply for a title when required or for failure to transfer or
16 secure registration plates and certificate of registration within
17 the 21 days required by this section. Subject to subsection (11),
18 if the dealer or person fails to apply for a title when required,
19 and to transfer or secure registration plates and secure a
20 certificate of registration and pay the required fees within 21
21 days of delivery of the vehicle or boat trailer, a title and
22 registration for the vehicle or boat trailer may subsequently be
23 acquired only on the payment of a late transfer fee of \$50.00 for
24 an individual or a dealer other than a dealer subject to section
25 235b in addition to the fees specified in section 806. Subject to
26 subsection (11), for a used or secondhand vehicle dealer subject to
27 section 235b, the late transfer fee is \$100.00 in addition to the
28 fees specified in section 806. The purchaser or lessee of the
29 vehicle or the purchaser of the boat trailer shall sign the

1 application, including, if applicable, the declaration specifying
2 the maximum elected gross weight as required by subsection (1)(f),
3 and other necessary papers to enable the dealer or person to secure
4 the title, registration plates, and transfers from the secretary of
5 state. If the secretary of state mails or delivers a purchaser's
6 certificate of title to a dealer, the dealer shall mail or deliver
7 the certificate of title to the purchaser not later than 5 days
8 after receiving the certificate of title from the secretary of
9 state. However, as provided under section 238, the secretary of
10 state is not required to issue a paper title to the owner of a
11 vehicle or lienholder if the title is subject to a security
12 interest, and may issue an electronic title as provided under
13 section 222.

14 (5) Except as provided in subsection (12), a dealer selling or
15 exchanging an off lease or buy back vehicle shall apply to the
16 secretary of state for a new title for the vehicle ~~within~~**not later**
17 **than** 21 days after it receives the certificate of title from the
18 lessor or manufacturer under section 235 or section 235b and
19 transfer or secure registration plates and secure a certificate of
20 registration for the vehicle in the name of the purchaser. Subject
21 to subsection (12), the dealer's license may be suspended or
22 revoked in accordance with section 249 for failure to apply for a
23 title when required or for failure to transfer or secure
24 registration plates and certificate of registration within the 21-
25 day period. Subject to subsection (12), if the dealer or person
26 fails to apply for a title when required, and to transfer or secure
27 registration plates and secure a certificate of registration and
28 pay the required fees within the 21-day time period, a title and
29 registration for the vehicle may subsequently be acquired only on

1 the payment of a late transfer fee of \$50.00 for an individual or
2 dealer other than a used or secondhand vehicle dealer subject to
3 section 235b in addition to the fees specified in section 806.
4 Subject to subsection (12), the late transfer fee for a used or
5 secondhand vehicle dealer subject to section 235b is \$100.00 in
6 addition to the fees specified in section 806. The purchaser of the
7 vehicle shall sign the application, including, if applicable, the
8 declaration specifying the maximum elected gross weight as required
9 by subsection (1)(f), and other necessary papers to enable the
10 dealer or person to secure the title, registration plates, and
11 transfers from the secretary of state. If the secretary of state
12 mails or delivers a purchaser's certificate of title to a dealer,
13 the dealer shall mail or deliver the certificate of title to the
14 purchaser not later than 5 days after receiving the certificate of
15 title from the secretary of state. However, as provided under
16 section 238, the secretary of state is not required to issue a
17 paper title to the owner of a vehicle if the title is subject to a
18 security interest, and may issue an electronic title as provided
19 under section 222.

20 (6) If a vehicle is delivered to a purchaser or lessee who has
21 valid Michigan registration plates that are to be transferred to
22 the vehicle, and an application for title, if required, and
23 registration for the vehicle is not made before delivery of the
24 vehicle to the purchaser or lessee, the registration plates must be
25 affixed to the vehicle immediately, and the dealer shall provide
26 the purchaser or lessee with an instrument in writing, on a form
27 prescribed by the secretary of state, which serves as a temporary
28 registration for the vehicle for a period of 30 days from the date
29 the vehicle is delivered.

1 (7) If the seller does not prepare the credit information,
2 contract note, and mortgage, and the holder, finance company,
3 credit union, or banking institution requires the installment
4 seller to record the lien on the title, the holder, finance
5 company, credit union, or banking institution shall pay the seller
6 a service fee of not more than \$10.00. The service fee must be paid
7 from the finance charges and must not be charged to the buyer in
8 addition to the finance charges. The holder, finance company,
9 credit union, or banking institution shall issue its check or bank
10 draft for the principal amount financed, payable jointly to the
11 buyer and seller, and the following must be imprinted on the back
12 side of the check or bank draft:

13 "Under Michigan law, the seller must record a first lien in
14 favor of (name of lender) _____ on the vehicle with
15 vehicle identification number _____ and title the vehicle
16 only in the name(s) shown on the reverse side."

17 (8) On the front of the check or draft described under
18 subsection (7), the holder, finance company, credit union, or
19 banking institution shall note the name or names of the prospective
20 owners. Failure of the holder, finance company, credit union, or
21 banking institution to comply with these requirements frees the
22 seller from any obligation to record the lien or from any liability
23 that may arise as a result of the failure to record the lien. A
24 service fee must not be charged to the buyer.

25 (9) In the absence of actual malice proved independently and
26 not inferred from lack of probable cause, a person who in any
27 manner causes a prosecution for larceny of a motor vehicle; for
28 embezzlement of a motor vehicle; for any crime an element of which
29 is the taking of a motor vehicle without authority; or for buying,

1 receiving, possessing, leasing, or aiding in the concealment of a
2 stolen, embezzled, or converted motor vehicle knowing that the
3 motor vehicle has been stolen, embezzled, or converted, is not
4 liable for damages in a civil action for causing the prosecution.
5 This subsection does not relieve a person from proving any other
6 element necessary to sustain the person's cause of action.

7 (10) Receipt by the secretary of state of a properly tendered
8 application for a certificate of title on which a security interest
9 in a vehicle is to be indicated is a condition of perfection of a
10 security interest in the vehicle and is equivalent to filing a
11 financing statement under the uniform commercial code, 1962 PA 174,
12 MCL 440.1101 to 440.9994, with respect to the vehicle. When a
13 security interest in a vehicle is perfected, it has priority over
14 the rights of a lien creditor as that term is defined in section
15 9102 of the uniform commercial code, 1962 PA 174, MCL 440.9102.

16 (11) Notwithstanding subsection (4), a dealer selling,
17 leasing, or exchanging vehicles, required to be titled, after March
18 31, 2021 but before August 1, 2021, may apply to the secretary of
19 state for a new title, if required, and transfer or secure
20 registration plates and secure a certificate of registration for
21 the vehicle in the name of the purchaser within 30 days. Both of
22 the following apply to a dealer that complies with this subsection:

23 (a) The dealer's license must not be suspended or revoked in
24 accordance with section 249 for failure to apply for a title when
25 required or for failure to transfer or secure registration plates
26 and certificate of registration within the 21-day period required
27 under subsection (4).

28 (b) The secretary of state shall not charge any applicable
29 late fees required under subsection (4) and shall, on the dealer's

1 request, reimburse a late fee charged and collected after March 31,
2 2021 to the end of the period described under this subsection.

3 (12) Notwithstanding subsection (5), a dealer selling or
4 exchanging an off lease or buy back vehicle after March 31, 2021
5 but before August 1, 2021 may apply to the secretary of state for a
6 new title for the vehicle ~~within~~**not later than** 30 days after the
7 dealer receives the certificate of title from the lessor or
8 manufacturer under section 235 or 235b and transfer or secure
9 registration plates and secure a certificate of registration for
10 the vehicle in the name of the purchaser. Both of the following
11 apply to a dealer that complies with this subsection:

12 (a) The dealer's license must not be suspended or revoked in
13 accordance with section 249 for failure to apply for a title when
14 required or for failure to transfer or secure registration plates
15 and certificate of registration within the 21-day period required
16 under subsection (5).

17 (b) The secretary of state shall not charge any applicable
18 late fees required under subsection (5) and shall, on the dealer's
19 request, reimburse a late fee charged and collected after March 31,
20 2021 to the end of the period described under this subsection.

21 Sec. 217c. (1) The secretary of state may conduct periodic
22 reviews of the records of a dealer to determine whether adequate
23 notice is given to a transferee or lessee of a rebuilt salvage

3 licensed to conduct business in this state that acquires ownership
4 of a late model vehicle through the payment of a claim shall

8 ~~must~~**shall** assign the certificate of title to the insurance
9 company, which shall do all of the following:

10 (i) Surrender a properly assigned certificate of title to the
11 secretary of state.

12 (ii) If the estimated cost of repair, including parts and
13 labor, is equal to or more than 75% but less than 91% of the
14 predamaged actual cash value of the vehicle, apply for a salvage
15 certificate of title, and if the estimated cost of repair,
16 including parts and labor, is equal to or greater than 91% of the
17 predamaged actual cash value of the vehicle, apply for a scrap
18 certificate of title. The insurance company shall not sell the
19 vehicle without first receiving a salvage or scrap certificate of
20 title, which ~~shall~~**must** be assigned to the buyer. An insurance

22 to an automotive recycler, used or secondhand vehicle parts dealer,
23 foreign salvage vehicle dealer, **distressed vehicle transporter**, or

9 certify that the certificate of title is lost.

10 (iii) On behalf of the owner, apply to the secretary of state
11 for a salvage or scrap certificate of title in the name of the
12 owner. The owner shall not sell or otherwise dispose of the vehicle
13 without first receiving a salvage or scrap certificate of title,
14 which must be assigned to the buyer. An insurance company may
15 assign a salvage or scrap certificate of title only to an
16 automotive recycler, used or secondhand vehicle parts dealer,
17 foreign salvage vehicle dealer, or vehicle scrap metal processor.

18 (3) If an insurance company pays a claim for total loss to the
19 owner or lienholder of record as kept by the secretary of state, or
20 both, if applicable, of a vehicle but the owner or lienholder of
21 record as kept by the secretary of state fails to surrender the
22 certificate of title or other document necessary for the transfer
23 of ownership of the vehicle to the insurance company ~~within the~~
24 ~~expiration of~~ **not later than** 30 days after the claim payment, the
25 insurance company, without having obtained the surrender of the
26 title or other document otherwise necessary for the transfer of

 13 payment of the claim is satisfied only by 1 of the following:

14 (a) In the case of payment by check, either of the following:

15 (i) A copy of the front and back of the endorsed check.

16 (ii) Evidence that the check has cleared the account of the
 17 payer.

18 (b) In the case of payment by electronic transfer, evidence
 19 that the payment was charged to the account of the payer.

20 (4) Except as provided in subsection (3), if an insurance
 21 company acquires ownership of a vehicle other than a late model
 22 vehicle through payment of damages due to an accident, the company
 23 shall surrender a properly assigned title to the buyer ~~upon-on~~
 24 delivery.

25 (5) If a dealer acquires ownership of a late model vehicle
 26 that is a distressed vehicle from an owner, the dealer shall

 28 certificate of title is not a salvage or scrap certificate of
 29 title, the dealer, other than a vehicle scrap metal processor,

1 shall surrender the assigned certificate of title to the secretary
 2 of state, and, if the estimated cost of repair, including parts and
 3 labor, is equal to or greater than 75% but less than 91% of the
 4 predamaged actual cash value of the vehicle, apply for a salvage
 5 certificate of title, or if the estimated cost of repair, including
 6 parts and labor, is equal to or greater than 91% of the predamaged
 7 actual cash value of the vehicle, apply for a scrap certificate of
 8 title ~~within 5~~ **not later than 10** days after the dealer receives the

 10 vehicle to ~~another~~ **an** automotive recycler, used or secondhand
 11 vehicle parts dealer, foreign salvage vehicle dealer, **distressed**
 12 **vehicle transporter**, or vehicle scrap metal processor by assigning
 13 the ~~salvage~~ certificate of title to the buyer. Unless the vehicle
 14 is rebuilt, inspected, and recertified under this section, if the
 15 vehicle is sold to a buyer other than a **licensed** dealer,
 16 application must be made for a salvage certificate in the name of
 17 the buyer in the manner provided in this act. The dealer may sell a
 18 scrap vehicle only to a vehicle scrap metal processor. A vehicle
 19 scrap metal processor shall surrender an assigned certificate of
 20 title to the secretary of state ~~within~~ **not later than** 30 days after
 21 acquiring a vehicle for which a certificate of title was received.
 22 A vehicle scrap metal processor shall surrender an assigned salvage

11 of the document to transport but not drive on a highway the vehicle
12 or parts of a vehicle, and assign ownership to a vehicle scrap
13 metal processor, automotive recycler, used or secondhand vehicle
14 parts dealer, or foreign salvage vehicle dealer. A certificate of
15 title must not again be issued for this vehicle. A person shall not
16 rebuild or repair a scrap vehicle and allow it to retain the
17 original vehicle identification number.

18 (8) If a person, other than a dealer or insurance company that
19 is subject to subsection (2) or (5), acquires ownership of a
20 distressed, late model vehicle, the person must surrender the title
21 or assigned certificate of title to the secretary of state, and if
22 the estimated cost of repair, including parts and labor, is equal
23 to or greater than 75% but less than 91% of the predamaged actual
24 cash value of the vehicle, apply for a salvage certificate of
25 title, or if the estimated cost of repair, including parts and

12 the vehicle, or if the retail cost of repair, including parts and
13 labor, is equal to or greater than 91% of the predamaged actual
14 cash value of the vehicle, apply for a scrap certificate of title,
15 before the vehicle may be transported or sold. If ownership is
16 transferred, the owner must sell the vehicle only to a dealer that
17 is eligible to buy a salvage or scrap vehicle in this state unless
18 the owner complies with subsection (13). When a leasing company,
19 vehicle manufacturer, insurance company not licensed to do business
20 in this state, association, repossession company, self-insured
21 owner, financial institution, governmental entity, or other
22 company, institution, or entity, estimates the repair of a
23 distressed, late model vehicle for the purpose of determining
24 whether to apply for a salvage or scrap certificate of title, a
25 complete record of the estimate and, if the vehicle is repaired
26 before a transfer of ownership, a complete record of the actual
27 cost of the repairs performed and who performed the repairs must be
28 maintained for a minimum of 5 years by the leasing company, vehicle
29 manufacturer, insurance company not licensed to do business in this

5 (13) A salvage certificate of title authorizes the holder of
6 the title to possess, transport, but not drive on a highway, and

24 (7) If the assigned holder of registration plates applies for
25 a new registration certificate, the application ~~shall~~**must** be
26 accompanied either by the old registration certificate or by a
27 certificate of title showing the person to be the assigned holder
28 of the registration plates for which the old registration
29 certificate had been issued. A person ~~who~~**that** fails or neglects to

1 fulfill the requirements of this subsection is guilty of a
2 misdemeanor punishable by imprisonment for not more than 93 days or
3 a fine of not more than \$100.00, or both.

9 accessories on the vehicle and deliver or cause the certificate to
10 be mailed or delivered to the purchaser or transferee at the time
11 of the delivery to the purchaser or transferee of the vehicle. The
12 certificate ~~shall~~ **must** show the payment or satisfaction of any
13 security interest as shown on the original title. However, as
14 provided under section 238, the secretary of state is not required
15 to issue a title to the owner of a vehicle if the title is subject
16 to a security interest.

17 (9) ~~Upon~~ **On** the delivery of a motor vehicle and the transfer,
18 sale, or assignment of the title or interest in a motor vehicle by
19 a person, including a dealer, the effective date of the transfer of
20 title or interest in the vehicle is the date of signature on either
21 the application for title or the assignment of the certificate of
22 title by the purchaser, transferee, or assignee.

23 (10) A secured receipt that is in a form approved by the
24 department and produced at the time the secured interest is
25 presented with payment in satisfaction of the security interest may
26 be submitted to the department in lieu of the title for purposes of
27 transferring ownership in the vehicle.

28 Sec. 233a. (1) Except as otherwise provided in subsection
29 (17), if the owner of a registered motor vehicle transfers the

owner's title or interest in that vehicle, the transferor shall present to the transferee before delivery of the vehicle, written disclosure of odometer mileage by means of the certificate of title or a written statement signed by the transferor including the transferor's printed name, containing all of the following:

(a) The odometer reading at the time of transfer, not including the tenths of a mile or kilometer.

(g) One of the following:

(i) A statement by the transferor certifying that to the best of the transferor's knowledge the odometer reading reflects the actual mileage of the vehicle.

(ii) If the transferor knows that the odometer reading reflects the amount of mileage in excess of the designed mechanical odometer limit, a statement to that effect.

(iii) If the transfer knows that the odometer reading differs from the mileage and the difference is greater than that caused by odometer calibration error, a statement that the odometer reading does not reflect the actual mileage and should not be relied on. This notice must include a warning notice to alert the transferee that a discrepancy exists between the odometer and the actual

1 mileage.

2 (h) Space for the signature and printed name of the
3 transferee, and the date of presentation to the transferee.

4 (2) A certificate of title and a dealer reassignment form must
5 contain a place for the information required by subsection (1)(a)
6 to (h). If the vehicle is not titled or the title does not contain
7 a space for the required information, a written statement must be
8 provided as a separate document.

9 (3) A dealer selling or exchanging vehicles required to be
10 titled under this act shall present the certificate of title or
11 written statement and any reassigned titles in the dealer's
12 possession to the transferee. The transferee or the transferee's
13 agent shall inspect, print the transferee's or transferee's agent's
14 name on, sign, and date the certificate or statement and return it
15 to the transferor for submission to the secretary of state. If
16 neither the transferee nor transferor is a dealer licensed under
17 this act, completing the odometer information on the certificate of
18 title must be considered to comply with subsection (1). A person
19 shall not sign an odometer disclosure statement as both the
20 transferor and transferee in the same transaction.

21 (4) A new or used vehicle dealer shall obtain from the
22 transferor a completed odometer mileage statement that meets the
23 requirements of subsection (1) with each motor vehicle acquired by
24 the dealer. Except as provided in subsection (16), the dealer shall
25 not accept or provide an odometer mileage statement or a title that
26 contains a place for odometer information that has not been
27 completely filled in by the transferor.

28 (5) The odometer information described in subsection (1) must
29 not be required for any of the following:

1 (a) Vehicles having a gross vehicle weight rating of more than
2 16,000 pounds.

8 (d) A vehicle manufactured in or after the 2011 model year
9 that is transferred at least 20 years after January 1 of the
10 calendar year that is included in the model year in which the
11 vehicle was manufactured.

19 disconnected; or advertise for sale, sell, use, install, or cause
20 or allow to be installed a device which causes an odometer to
21 register other than the actual mileage driven. This subsection does
22 not prohibit the service, repair, or replacement of an odometer if
23 the mileage indicated on the odometer remains the same as before
24 the service, repair, or replacement. If the odometer is incapable
25 of registering the same mileage as before the service, repair, or
26 replacement, the odometer must be adjusted to read zero and a
27 notice in writing must be attached to the left door frame of the
28 vehicle by the owner or the owner's agent specifying the mileage
29 prior to service, repair, or replacement of the odometer and the

1 date on which it was serviced, repaired, or replaced. A person
2 shall not remove, deface, or alter any notice affixed to a motor
3 vehicle under this subsection.

4 (7) A person who violates subsection (6) is guilty of a
5 felony.

6 (8) Before executing a transfer of ownership document, a
7 lessor of a leased vehicle shall notify the lessee in writing that
8 ownership of the vehicle is being transferred and that the lessee
9 is required to provide a written statement to the lessor regarding
10 the mileage of the vehicle. This notice must inform the lessee of
11 the penalties for failure to comply with the requirement.

12 (9) ~~Upon~~**On** receiving notification from the lessor of a leased
13 vehicle that ownership of the vehicle is to be transferred, the
14 lessee shall furnish to the lessor a written statement regarding
15 the mileage of the vehicle. This statement must be signed by the
16 lessee and must contain all of the following:

24 year, body type, and vehicle identification number.

25 (g) The date that the lessor notified the lessee of the
26 requirements of this subsection.

27 (h) The date that the completed disclosure statement was
28 received by the lessor.

29 (i) The signature of the lessor.

1 (j) One of the following:

2 (i) A statement by the lessee certifying that to the best of
3 the lessee's knowledge the odometer reading reflects the actual
4 mileage of the vehicle.

5 (ii) If the lessee knows that the odometer reading reflects the
6 amount of mileage in excess of the designed mechanical odometer
7 limit, a statement to that effect.

8 (iii) If the lessee knows that the odometer reading differs from
9 the mileage and that the difference is greater than that caused by
10 odometer calibration error, a statement that the odometer reading
11 is not the actual mileage and should not be relied on.

12 (10) If the lessor transfers a leased vehicle without
13 obtaining possession of the vehicle, the lessor may indicate on the
14 certificate of title the mileage disclosed by the lessee under
15 subsection (9), unless the lessor has reason to believe that the
16 mileage disclosed by the lessee does not reflect the actual mileage
17 of the vehicle.

18 (11) A dealer that is required by this section to execute an
19 odometer mileage statement shall retain for 5 years a photostatic,
20 carbon, or other facsimile copy of each odometer mileage statement
21 the dealer issues or receives. The dealer shall retain the odometer
22 mileage statements at the dealer's primary place of business in an
23 order that is appropriate to business requirements and that permits
24 systematic retrieval.

25 (12) A lessor shall retain, for 5 years following the date of
26 transfer of ownership of each leased vehicle, the odometer mileage
27 statement received from the lessee. The lessor shall retain the
28 odometer mileage statements at the lessor's primary place of
29 business in an order that is appropriate to business requirements

1 and that permits systematic retrieval.

2 (13) An auction dealer or vehicle salvage pool operator shall
3 establish and retain at the auction dealer's or vehicle salvage
4 pool operator's primary place of business in an order that is
5 appropriate to business requirements and that permits systematic
6 retrieval, for 5 years following the date of sale of each motor
7 vehicle, the following records:

8 (a) The name and the most recent owner, other than the auction
9 dealer or salvage pool operator.

10 (b) The name of the buyer.

11 (c) The vehicle identification number.

12 (d) The odometer reading, not including the tenths of a mile,
13 on the date the auction dealer or salvage pool operator took
14 possession of the motor vehicle.

15 (14) A violation of subsection (1) or (6) by any dealer
16 licensed under this act is prima facie evidence of a fraudulent act
17 as provided in section 249.

18 (15) A person who, with intent to defraud, violates any
19 requirement under subsection (1) or (6), or a dealer that fails to
20 retain for 5 years each odometer mileage statement the dealer
21 receives and each odometer mileage statement furnished by the
22 dealer ~~upon~~ on the sale of a vehicle, is liable in an amount equal
23 to 3 times the amount of actual damages sustained or \$1,500.00
24 whichever is greater, and in the case of a successful recovery of
25 damages, the costs of the action together with reasonable attorney
26 fees.

8 (17) The department may establish, implement, and operate an
 9 electronic system to process the notification and transfer of a
 10 vehicle ownership interest between private parties through an
 11 electronic transfer instead of the collection of paper documents
 12 otherwise required under this act. If the electronic system is
 13 established, a private party that uses the electronic system shall
 14 comply with any requirement of this section that the department
 15 determines is necessary and provide any information that is
 16 required by the department. The department may enter into 1 or more
 17 contracts to establish, implement, and operate the electronic
 18 system under this subsection. The contract must require the
 19 protection of proprietary information contained in the electronic
 20 system and other information as protected under this act.

21 (18) As used in this section, "private parties" means that
 22 both a vehicle's buyer and seller are not a dealer.

23 Sec. 233b. (1) As used in this section:

24 (a) "Distributor" means that term as defined in section 3(1)
 25 of **the motor vehicle franchise act**, 1981 PA 118, MCL 445.1563.

26 (b) "Manufacturer" means that term as defined in section ~~4(2)~~
 27 **4(5) of the motor vehicle franchise act**, 1981 PA 118, MCL 445.1564.

28 (c) "Program vehicle" means a motor vehicle from either the
 29 current model year or the immediately preceding model year, that

3 (2) Except as provided in this subsection, a new motor vehicle
4 dealer shall disclose in writing to a purchaser or lessee of a new
5 motor vehicle, demonstrator, **courtesy transportation vehicle**,
6 executive or manufacturer's vehicle, or program vehicle before
7 entering into a sales contract or lease agreement that, after the
8 vehicle completed the manufacturing process, the vehicle was
9 damaged and repaired, including an itemization of repairs, if the
10 dealer has knowledge of the damage and repairs and if the cost of
11 the cumulative repairs, as calculated at the rate of the dealer's
12 authorized warranty rate for labor and parts exceeds either 1 of
13 the following:

14 (a) Five percent of the manufacturer's suggested retail price
15 of the vehicle.

16 (b) ~~Seven hundred fifty~~ **One thousand five hundred** dollars in
17 surface coating repairs or corrosion protection restoration or a
18 combination of these items. If a new motor vehicle dealer fails to

21 commercial code, 1962 PA 174, MCL 440.2101 to 440.2725.

22 (3) A dealer in new motor vehicles is not required to disclose
23 to a purchaser or lessee under this act that any glass, tires,
24 wheels, bumpers, audio equipment, in-dash components, or components

26 required for the operation of the motor home as a motor vehicle
27 were damaged at any time if the damaged item has been replaced with
28 original manufacturer's parts and material.

29 (4) Repaired damage to a motor vehicle, subject to this

1 section, not exceeding the cost of cumulative repairs as determined
 2 pursuant to subsection (2) ~~shall-is~~ not ~~constitute~~ grounds for

18 (2) If the secretary of state mails or delivers a purchaser's

 22 title. ~~from the secretary of state.~~

23 (3) Unless the transfer is made and the ~~fee~~ **fees are** paid
 24 within ~~15~~ **21** days, the vehicle is considered to be without
 25 registration, the secretary of state may repossess the license
 26 plates, and transfer of the vehicle ownership may be effected and a
 27 valid registration acquired ~~thereafter only upon~~ **after** payment of a
 28 transfer fee of ~~\$15.00~~ **\$50.00** in addition to the ~~fee~~ **fees** provided
 29 for in section 806.

1 (4) If a security interest is reserved or created at the time
2 of the transfer, the parties shall comply with the requirements of
3 section 238.

4 Sec. 235. (1) If the transferee of a vehicle is a new motor
5 vehicle dealer or a used or secondhand vehicle dealer that acquires
6 the vehicle for resale, the dealer is not required to obtain a new
7 registration of the vehicle or forward the certificate of title to
8 the secretary of state, but shall retain and have in the dealer's
9 immediate possession, or, ~~upon~~**on** providing prior written notice to
10 the department and receiving the department's approval ~~within~~**not**

14 with the odometer information properly completed, except **for a**
15 **title issued electronically under section 222, or** as otherwise
16 provided in section 235b. A dealer shall obtain a certificate of

25 from the operation of the vehicle while the vehicle is in the
26 dealer's or transferee's possession.

27 (3) ~~Upon~~**Except for a title issued electronically under**
28 **section 222, on** transferring title or interest to another dealer,
29 the dealer shall complete an assignment and warranty of title on

1 the certificate of title, salvage certificate of title, or dealer
2 reassignment of title form and deliver it to the licensed dealer
3 receiving the transfer.

4 (4) The secretary of state shall prescribe the dealer
5 reassignment of title form. The form must contain the title number
6 of the accompanying title; the name, address, and, if applicable,
7 dealer license number of the transferee; the year, make, model,

9 name, address, dealer number, and signature of the transferor; an
10 odometer mileage statement as prescribed under section 233a; and
11 any other information the secretary of state requires.

12 (5) This section does not prohibit a dealer from selling a buy
13 back vehicle while the certificate of title is in the possession of
14 a manufacturer that obtained the certificate of title under the
15 manufacturer's buy back vehicle program. The manufacturer shall
16 mail the certificate of title to the dealer ~~within~~**not later than** 5
17 business days after the manufacturer's receipt of a signed
18 statement from the purchaser of the vehicle acknowledging the
19 purchaser was informed by the dealer that the manufacturer acquired
20 title to the vehicle as the result of an arbitration proceeding,
21 under a customer satisfaction policy adopted by the manufacturer,
22 or under 1986 PA 87, MCL 257.1401 to 257.1410, or a similar law of

7 security interest on the certificate of title, showing the name and
8 address of the holder and deliver the certificate of title,
9 application, and the required fee together with a copy of the
10 application, to the holder of the security interest.

11 (b) The holder of the security interest shall cause the
12 certificate of title, application, and fee and the copy of the
13 application to be mailed or delivered to the department.

14 (c) The department shall indicate on the copy of the
15 application the date and place of filing of the application.

16 (d) ~~Upon~~**On** receipt of the certificate of title, application,
17 and the required fee, the department shall issue a new certificate
18 in the form provided by section 222 setting forth the name and
19 address of each holder of a security interest in the vehicle or in
20 any accessory on the vehicle for which a termination statement has
21 not been filed and the date on which the application first stating
22 the security interest was filed, and mail the certificate to the
23 owner. However, as provided under this section, the secretary of
24 state is not required to issue a title to the owner of a vehicle if
25 the title is subject to a security interest.

26 (2) A holder of any kind of a security interest may assign,
27 absolutely or otherwise, the holder's security interest in the
28 vehicle or any accessory ~~thereon~~**on the vehicle** to a person other
29 than the owner without affecting the interest of the owner or the

1 validity of the security interest, but any person without notice of
2 the assignment is protected in dealing with the holder of the
3 security interest as the holder thereof. **of the security interest.**

4 (3) If a person rejects the assignment or the purchase of a
5 motor vehicle lease agreement or installment sale contract or, at
6 any time after accepting the assignment or purchase of a motor
7 vehicle lease agreement or installment sale contract, the person
8 subsequently reassigns or transfers the motor vehicle lease
9 agreement or installment sale contract to the licensed dealer or
10 installment seller after a security interest is identified on the
11 application for title or the title for the vehicle, the person
12 shall provide written notice to the licensed dealer or installment
13 seller that the person does not retain a security interest or that
14 it has returned the security interest in the vehicle to the
15 licensed dealer or installment seller. If a written notice is
16 accompanied by a properly completed application for title, the
17 department of state shall accept the written notice from the person
18 and promptly issue a new title identifying the licensed dealer or
19 installment seller as the secured party on the title to the
20 vehicle.

21 (4) ~~(3)~~ The assignee of a security interest may have the
22 certificate of title indorsed with the assignee named as the holder
23 of the security interest by providing the department with a copy of
24 the assignment instrument, but the failure of the assignee to do so
25 ~~shall~~ **does** not affect the validity of the security interest of that
26 assignment.

27 (5) ~~(4)~~ If there is no outstanding obligation and no
28 commitment to make advances, incur obligations, or otherwise give
29 value secured or to be secured by a security interest in a vehicle

1 or an accessory on the vehicle, for which the certificate of title
 2 is in possession of a secured party, the secured party may, not
 3 more than 14 days after satisfaction of the obligation, execute a
 4 termination statement in the form prescribed by the department and
 5 mail or deliver the termination statement to the owner or another
 6 person as the owner may direct.

7 (6) ~~(5)~~—If there is no outstanding obligation and no
 8 commitment to make advances, incur obligations, or otherwise give
 9 value secured or to be secured by a security interest in a vehicle
 10 or an accessory on the vehicle, for which the certificate of title
 11 is in the possession of another person, the secured party shall,
 12 within 14 days after demand but not more than 30 days after demand,
 13 execute a termination statement in the form prescribed by the
 14 department and mail or deliver the termination statement to the
 15 owner or another person as the owner may direct.

16 (7) ~~(6)~~—The department may require that all transactions
 17 concerning vehicle title liens and security interests be conducted
 18 by electronic means, as determined by the department. After all
 19 liens have been terminated, or for purposes of retitling the
 20 vehicle in another state or any other purpose deemed appropriate by
 21 the department, the department may issue a paper copy of the
 22 vehicle title to the vehicle's owner.

23 (8) ~~(7)~~—A vehicle sale transaction in which a security
 24 interest is entered by electronic means ~~shall~~**must** include a
 25 document recording entry of the electronic security interest and
 26 information regarding the financial institution that holds the
 27 security interest. At the time a security interest is presented
 28 with payment in satisfaction of the security interest, a secured
 29 receipt in a form approved by the department and produced at the

1 time the security interest is presented with payment in
 2 satisfaction of the security interest may be submitted to the
 3 department ~~in lieu~~ **instead** of the title for purposes of
 4 transferring ownership in the vehicle.

5 (9) As used in this section, "installment buyer", "installment
 6 sale contract", and "installment seller" mean those terms as
 7 defined in section 2 of the motor vehicle sales finance act, 1950

9 Sec. 239. ~~A-Except for a title issued electronically under~~
 10 **section 222**, a person shall not fail or neglect to properly ~~endorse~~
 11 **indorse** and deliver a certificate of title to a transferee or owner
 12 lawfully entitled to the title. A person ~~who~~ **that** violates this
 13 section is responsible for a civil infraction and ~~shall~~ **may** be
 14 ordered to pay a civil fine of not more than \$100.00.

15 Sec. 240. (1) The owner of a motor vehicle who has made a bona
 16 fide sale by transfer of ~~his or her~~ **the owner's** title or interest
 17 and, **except for a title issued electronically under section 222**,
 18 who has delivered possession of the vehicle and the certificate of
 19 title to that vehicle properly endorsed to the purchaser or
 20 transferee is not liable for any damages or a violation of law that
 21 subsequently results from the use or ownership of the vehicle by
 22 another, if the owner, other than a licensed dealer, satisfies the
 23 conditions prescribed under subsection (2).

24 (2) The owner of a motor vehicle, other than a licensed
 25 dealer, shall satisfy 1 of the following conditions:

26 (a) Accompany the purchaser of the vehicle to a secretary of
 27 state branch office to assure that the title of the vehicle being
 28 sold is transferred.

29 (b) Maintain a record of the sale for not less than 18 months.

1 As used in this subdivision, "record of the sale" means either a
2 photocopy of the reassigned title or a form or document that
3 includes the name, address, driver license number, and signature of
4 the person to whom the vehicle is sold and the purchase price and

7 for a civil infraction and ~~shall~~**may** be ordered to pay a civil fine
8 of \$15.00.

9 (4) A person ~~who~~**that** violates subsection (2) is presumed to
10 be the last titled owner and to be liable for towing fees and daily
11 storage fees for an abandoned motor vehicle.

12 Sec. 248. (1) The secretary of state shall not grant a dealer
13 license under this section until the secretary **of state** conducts an
14 investigation of the applicant's qualifications under this act. ~~7~~

15 license from the secretary of state authorizing the carrying on or
16 conducting of that business. A person shall not carry on or conduct
17 the business of buying, selling, brokering, leasing, negotiating a
18 lease, or dealing in 5 or more distressed, late model vehicles or

24 application for renewal with the secretary of state at least 30
25 days before the expiration of its current license.

26 (d) If a dealer has not renewed its dealer license on or

19 pay a renewal fee equal to 150% of the normal renewal fee for a
20 renewal described in this subdivision.

21 (g) If a dealer files an application to renew a dealer license
22 more than 30 days after the expiration of that license, the dealer
23 is considered a new applicant for a dealer license under this
24 section.

25 (h) The secretary of state shall deposit the late renewal fees
26 collected under subdivisions (d) and (f) in the transportation
27 administration collection fund created in section 810b.

2 application.

3 (10) A dealer may conduct the business of buying, selling, or
4 dealing in motor homes, trailer coaches, trailers, or pickup

15 state, that the recreational vehicle show is scheduled, the
16 location, dates, and times of the recreational vehicle show, and
17 the name, address, and dealer license number of each dealer
18 participating in the recreational vehicle show.

19 (11) Notwithstanding section 235, a dealer may advertise or

23 affiliate within a reasonable period of time, **or a vehicle for**
24 **which the dealer has requested a paper title from the department**
25 **after the dealer assumed the lien**, even though the dealer is still
26 waiting on possession of the vehicle's title. ~~Such a~~ **The** vehicle,
27 if displayed on the dealer's lot, must be placed in a dedicated
28 area at the dealership and arranged in a manner that clearly

8 (13) Except as otherwise provided in this subsection, a dealer
9 may surrender a dealer license by delivering to the secretary of
10 state the license and written notice that the dealer surrenders the
11 license. The surrender of a license under this subsection does not
12 affect the dealer's administrative, civil, or criminal liability
13 for an act committed before the surrender of the license under this
14 subsection. The surrender of a license does not affect a proceeding
15 to suspend or revoke a license. The secretary of state shall not
16 issue a refund to the dealer surrendering the license. The
17 secretary of state shall not issue the surrendering dealer a new
18 dealer license at this location before 1 year after the voluntary
19 surrender of the license. The secretary of state shall deny a
20 dealer's attempt to surrender a dealer license under this
21 subsection if the secretary of state determines that the dealer is
22 surrendering the license to avoid disciplinary action.

23 Sec. 248a. (1) A motor vehicle dealer shall not advertise or
24 represent a motor vehicle to be a demonstrator, **courtesy**

18 (c) State the name, address, and telephone number of the
19 person requesting the informal conference or administrative
20 hearing.

21 (d) State the written notice of assessment's unique

27 (5) If the secretary of state receives a request for an

18 1969, 1969 PA 306, MCL 24.201 to 24.328. If an administrative fine
19 assessed under this section is affirmed by the decision of the
20 hearing officer, the hearing officer may assess the person costs of

19 (15) ~~(14)~~—Payment of an administrative fine assessed under
20 this section does not constitute an admission of responsibility or
