PART 2

PROVISIONS CONCERNING APPROPRIATIONS

FOR FISCAL YEAR 2025 - 2026

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources under part 1 for the fiscal year ending September 30, 2026 is \$596,536,200.00 and total state spending from state sources to be paid to local units of government is \$84,093,500.00.

Sec. 202. The appropriations made and expenditures authorized under this part and part 1 and the departments, commissions, boards, offices, and programs for which appropriations are made under this part and part 1 are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. Funds appropriated in part 1 must be allocated and expended in a manner consistent with federal rules and regulations.

1 Sec. 204. Funds appropriated in part 1 are subject to
2 applicable federal audit and reporting requirements. Prompt action
3 shall be taken if instances of noncompliance are identified,
4 including noncompliance identified in an audit finding. If any
5 instance of noncompliance is identified, including noncompliance
6 identified in an audit finding, the state budget director shall
7 take necessary and immediate action to rectify it. The state budget
8 director shall notify the senate and house appropriations
9 committees and the senate and house fiscal agencies when an
10 instance of noncompliance is identified.

11 Sec. 205. As used in this act, "standard report recipients"
12 means the senate and house appropriations subcommittees with
13 jurisdiction over the budget for the department, agency, or other
14 entity for which the appropriation is made, the senate and house
15 fiscal agencies, the senate and house policy offices, and the state
16 budget office.

17 Sec. 206. Expenditures from appropriations under this act are
18 limited to the total amount of appropriations, or suballocations of
19 appropriations, authorized for the same purposes under 2024 PA 121,
20 2025 PA 15, and 2025 PA 22 for the fiscal year ending September 30,
21 2025, minus any expenditures made under those appropriations or
22 suballocations for the purposes authorized under those acts.

23
24 **DEPARTMENT OF EDUCATION**

25 Sec. 301. From the funds appropriated in part 1 for Michigan
26 core curriculum, the department shall, in collaboration with the
27 confederation of Michigan tribal education department's,
28 continuously design, implement, and evaluate professional learning
29 and optional curriculum modules for the purpose of teaching

1 Michigan Indigenous tribal history including the history of Indian
2 boarding schools in Michigan as described in the Michigan core
3 curriculum standards for grades 8 to 12.

4 Sec. 302. From the funds appropriated in part 1 for charter
5 school transparency database, the department shall develop and
6 maintain an interactive website where parents and community members
7 can access information about their charter schools.

8 Sec. 303. (1) The funds appropriated in part 1 for Talent
9 Together Coalition shall be awarded to intermediate districts and
10 consortia of intermediate districts based on the number of pupils
11 in membership in constituent districts of the intermediate district
12 or consortium of intermediate districts to support educator talent
13 initiatives and programs.

14 (2) Intermediate districts and consortia of intermediate
15 districts shall use the money received under this section to
16 partner with 1 eligible nonprofit to provide funding, programs, and
17 technical assistance for the following activities:

18 (a) Teacher recruitment, teacher retention, and teacher
19 development to ensure greater efficacy, satisfaction, and outcomes.

20 (b) Improve teacher certification programs to increase quality
21 and retention, and to foster close relationships with schools.

22 (c) Provide school leader development programs to increase
23 educator retention and efficacy.

24 (d) Serve as a convener and hub for innovation and
25 conversation to support collaboration and coordination among this
26 state's educator talent efforts.

27 (e) Promote research so that this state can learn from its
28 investments and innovations and become a top state for educators.

29 (3) As used in this section, "eligible nonprofit" means an

1 entity that meets all of the following criteria, as determined by
2 the department of education:

3 (a) Is based in this state.

4 (b) Operates statewide.

5 (c) Is a non-higher education institution under section
6 501(c) (3) of the internal revenue code of 1986, 26 USC 501.

7 (d) Has formal partnerships with more than 35 intermediate
8 districts in this state.

9 (e) Has launched a statewide grow your own program in
10 partnership with intermediate districts.

11 (f) Has staff experienced in implementing research-based
12 programs in all of the following areas:

13 (i) Teacher recruitment.

14 (ii) Teacher development.

15 (iii) Teacher retention.

16 (iv) Teacher certification.

17 (v) School leader development.

18 (vi) School leader retention.

19 (g) Has staff experienced in designing and developing a
20 department of education-approved grow your own program.

21 Sec. 304. The funds appropriated in part 1 for the drinking
22 water declaration of emergency shall be used to supplement funding
23 for section 11s of the state school aid act of 1979, 1979 PA 94,
24 MCL 388.1611s.

25 Sec. 305. (1) The funds appropriated in part 1 for firearms
26 storage tip line shall be awarded to an intermediate district to
27 partner with the department of education to create or partner with
28 an existing program and support a tip line for students to
29 anonymously report improperly stored firearms that are accessible

1 to a minor.

2 (2) The department of education shall develop educational
3 materials related to improperly stored firearms, and how to report
4 improperly stored firearms, and distribute the educational
5 materials to districts, intermediate districts, and public school
6 academies.

7 (3) As used in this section, "improperly stored firearm" means
8 a firearm that is not stored in accordance with the requirements of
9 section 9 of 1927 PA 372, MCL 28.429.

10 Sec. 306. The funds appropriated in part 1 for MI Creative
11 Potential shall be awarded to the Eaton Regional Education Service
12 Agency to serve as the fiscal agent for the Michigan Assessment
13 Consortium. Funding shall be used in implementing MI Creative
14 Potential, as led by the Michigan Arts Education Instruction and
15 Assessment Project, developed by the Michigan Assessment
16 Consortium, in partnership with the Michigan department of
17 education, Michigan Arts and Culture Council, and Michigan
18 educators. The Michigan Assessment Consortium shall implement MI
19 Creative Potential by acquiring and implementing the artlook
20 platform, by building school and community partnerships to allow
21 districts and public school academies to publicize their need for
22 supplemental arts instruction, by providing professional learning
23 on artlook tools, and by collecting and uploading data on
24 availability of arts education within districts and public school
25 academies in each prosperity region each school year. The data
26 collected and uploaded must include, but is not limited to, how
27 many arts classes are offered, the duration and frequency of
28 instruction in the disciplines, educator and staffing details, the
29 arts budget in each building, arts-related extracurricular

activities that are offered, and community partners that are engaged. Eaton Regional Education Service Agency shall provide a report to the department of education each September on progress of this work.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 501. (1) From the funds appropriated in part 1 for prenatal and infant support program, the department shall allocate \$18,489,200.00 of TANF revenue for programs that are intended to improve the economic stability of households with very young children.

(2) In allocating the funds referenced in subsection (1), the department shall give preference to programs that demonstrate the following:

(a) Effectiveness in improving the economic stability of households with pregnant women at a minimum of 20 weeks gestation, and with young children.

(b) Partnerships with local health care providers and nonprofit human service agencies that provide for improved maternal and infant health outcomes.

(c) Compliance with TANF requirements established by the Administration for Children and Families within the United States Department of Health and Human Services.

(3) By September 30 of the current fiscal year, the department, through agreements with contracted implementing agencies, shall report to the standard report recipients information through June 30 of the current fiscal year on the aggregated demographic data of all program recipients regardless of underlying funding source. The report must include, but not be

1 limited to, aggregated recipient data from contracted implementing
2 agencies with each contracted implementing agency providing the
3 age, race, ethnicity, Hispanic or Latino origin, federal poverty
4 level, funding source, and zip codes of all program recipients.

5 Sec. 502. Funds appropriated in part 1 for opioid response
6 activities must be allocated in the same manner as an amount
7 appropriated for opioid response activities as described in section
8 917 of article 6 of 2024 PA 121. The total amount allocated under
9 this section must not exceed the unexpended and unencumbered
10 amounts remaining on September 30, 2025 from appropriations for
11 opioid response activities described under section 917 of article 6
12 of 2024 PA 121.

13 Sec. 503. Funds appropriated in part 1 for drinking water
14 declaration of emergency must be allocated in the same manner as an
15 amount appropriated for drinking water declaration of emergency as
16 described in section 1306 of article 6 of 2024 PA 121. The total
17 amount allocated under this section must not exceed the unexpended
18 and unencumbered amounts remaining on September 30, 2025 from
19 appropriations for drinking water declaration of emergency
20 described under section 1306 of article 6 of 2024 PA 121.

21 Sec. 504. Funds appropriated in part 1 for complex medical
22 condition center must be allocated in the same manner as an amount
23 appropriated for complex medical condition center as described in
24 section 1934 of article 6 of 2024 PA 121. The total amount
25 allocated under this section must not exceed the unexpended and
26 unencumbered amounts remaining on September 30, 2025 from
27 appropriations for complex medical condition center described under
28 section 1934 of article 6 of 2024 PA 121.

29 Sec. 505. Funds appropriated in part 1 for cranial hair

1 prosthesis must be allocated in the same manner as an amount
2 appropriated for cranial hair prosthesis as described in section
3 1936 of article 6 of 2024 PA 121. The total amount allocated under
4 this section must not exceed the unexpended and unencumbered
5 amounts remaining on September 30, 2025 from appropriations for
6 cranial hair prosthesis described under section 1936 of article 6 of
7 2024 PA 121.

8 Sec. 506. Funds appropriated in part 1 for healthy communities
9 grant must be allocated in the same manner as an amount
10 appropriated for healthy communities grant as described in section
11 1943 of article 6 of 2024 PA 121. The total amount allocated under
12 this section must not exceed the unexpended and unencumbered
13 amounts remaining on September 30, 2025 from appropriations for
14 healthy communities grant described under section 1943 of article 6
15 of 2024 PA 121.

16 Sec. 507. Funds appropriated in part 1 for local food
17 infrastructure grant must be allocated in the same manner as an
18 amount appropriated for local food infrastructure grant as
19 described in section 1951 of article 6 of 2024 PA 121. The total
20 amount allocated under this section must not exceed the unexpended
21 and unencumbered amounts remaining on September 30, 2025 from
22 appropriations for local food infrastructure grant described under
23 section 1951 of article 6 of 2024 PA 121.

24 Sec. 508. Funds appropriated in part 1 for firearm safety and
25 violence prevention must be allocated in the same manner as an
26 amount appropriated for firearm safety and violence prevention as
27 described in section 1954 of article 6 of 2024 PA 121. The total
28 amount allocated under this section must not exceed the unexpended
29 and unencumbered amounts remaining on September 30, 2025 from

1 appropriations for firearm safety and violence prevention described
2 under section 1954 of article 6 of 2024 PA 121.

3 Sec. 509. Funds appropriated in part 1 for Native American
4 health services must be allocated in the same manner as an amount
5 appropriated for Native American health services as described in
6 section 1958 of article 6 of 2024 PA 121. The total amount
7 allocated under this section must not exceed the unexpended and
8 unencumbered amounts remaining on September 30, 2025 from
9 appropriations for Native American health services described under
10 section 1958 of article 6 of 2024 PA 121.

11 Sec. 510. Funds appropriated in part 1 for community impact
12 center must be allocated in the same manner as an amount
13 appropriated for community impact center as described in section
14 1963 of article 6 of 2024 PA 121. The total amount allocated under
15 this section must not exceed the unexpended and unencumbered
16 amounts remaining on September 30, 2025 from appropriations for
17 community impact center described under section 1963 of article 6
18 of 2024 PA 121.

19 Sec. 511. Funds appropriated in part 1 for children's campus
20 renovation must be allocated in the same manner as an amount
21 appropriated for children's campus renovation as described in
22 section 1981 of article 6 of 2024 PA 121. The total amount
23 allocated under this section must not exceed the unexpended and
24 unencumbered amounts remaining on September 30, 2025 from
25 appropriations for children's campus renovation described under
26 section 1981 of article 6 of 2024 PA 121.

27 Sec. 512. Funds appropriated in part 1 for nurse workforce
28 development must be allocated in the same manner as an amount
29 appropriated for nurse workforce development as described in

1 section 1986 of article 6 of 2024 PA 121. The total amount
2 allocated under this section must not exceed the unexpended and
3 unencumbered amounts remaining on September 30, 2025 from
4 appropriations for nurse workforce development described under
5 section 1986 of article 6 of 2024 PA 121.

6 Sec. 513. Funds appropriated in part 1 for maternal-fetal
7 medicine programming must be allocated in the same manner as an
8 amount appropriated for maternal-fetal medicine programming as
9 described in section 2005 of article 6 of 2024 PA 121. The total
10 amount allocated under this section must not exceed the unexpended
11 and unencumbered amounts remaining on September 30, 2025 from
12 appropriations for maternal-fetal medicine programming described
13 under section 2005 of article 6 of 2024 PA 121.

14 Sec. 514. Funds appropriated in part 1 for mental health
15 services and community outreach must be allocated in the same
16 manner as an amount appropriated for mental health services and
17 community outreach as described in section 2007 of article 6 of
18 2024 PA 121. The total amount allocated under this section must not
19 exceed the unexpended and unencumbered amounts remaining on
20 September 30, 2025 from appropriations for mental health services
21 and community outreach described under section 2007 of article 6 of
22 2024 PA 121.

23 Sec. 515. Funds appropriated in part 1 for mobile outreach
24 clinic must be allocated in the same manner as an amount
25 appropriated for mobile outreach clinic as described in section
26 2008 of article 6 of 2024 PA 121. The total amount allocated under
27 this section must not exceed the unexpended and unencumbered
28 amounts remaining on September 30, 2025 from appropriations for
29 mobile outreach clinic described under section 2008 of article 6 of

1 2024 PA 121.

3 **DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY**

4 Sec. 601. Funds appropriated in part 1 for community
5 enhancement grants must be allocated in the same manner as an
6 amount appropriated for community enhancement grants as described
7 in sections 1050a, 1050b, 1050c, and 1050d of article 9 of 2024 PA
8 121. The total amount allocated under this section must not exceed
9 the unexpended and unencumbered amounts remaining on September 30,
10 2025 from appropriations for community enhancement grants described
11 under sections 1050a, 1050b, 1050c, and 1050d of article 9 of 2024
12 PA 121.

13 Sec. 602. Funds appropriated in part 1 for community museum
14 grants must be allocated in the same manner as an amount
15 appropriated for community museum grants as described in section
16 1008 of article 9 of 2024 PA 121. The total amount allocated under
17 this section must not exceed the unexpended and unencumbered
18 amounts remaining on September 30, 2025 from appropriations for
19 community museum grants described under section 1008 of article 9
20 of 2024 PA 121.

21 Sec. 603. Funds appropriated in part 1 for symphony orchestra
22 grants must be allocated in the same manner as an amount
23 appropriated for symphony orchestra grants as described in section
24 1043 of article 9 of 2024 PA 121. The total amount allocated under
25 this section must not exceed the unexpended and unencumbered
26 amounts remaining on September 30, 2025 from appropriations for
27 symphony orchestra grants described under section 1043 of article 9
28 of 2024 PA 121.

29 Sec. 604. Funds appropriated in part 1 for infrastructure

1 grants must be allocated in the same manner as an amount
2 appropriated for infrastructure grants as described in sections
3 1053a and 1053b of article 9 of 2024 PA 121. The total amount
4 allocated under this section must not exceed the unexpended and
5 unencumbered amounts remaining on September 30, 2025 from
6 appropriations for infrastructure grants described under sections
7 1053a and 1053b of article 9 of 2024 PA 121.

8 Sec. 605. Funds appropriated in part 1 for downtown
9 development must be allocated in the same manner as an amount
10 appropriated for downtown development as described in section 1011
11 of article 9 of 2024 PA 121. The total amount allocated under this
12 section must not exceed the unexpended and unencumbered amounts
13 remaining on September 30, 2025 from appropriations for downtown
14 development described under section 1011 of article 9 of 2024 PA
15 121.

16 Sec. 606. Funds appropriated in part 1 for agricultural
17 tourism hub redevelopment must be allocated in the same manner as
18 an amount appropriated for agricultural tourism hub redevelopment
19 as described in section 1001 of article 9 of 2024 PA 121. The total
20 amount allocated under this section must not exceed the unexpended
21 and unencumbered amounts remaining on September 30, 2025 from
22 appropriations for agricultural tourism hub redevelopment described
23 under section 1001 of article 9 of 2024 PA 121.

24 Sec. 607. Funds appropriated in part 1 for talent and growth
25 must be used by the department to address current and future
26 workforce needs and population growth. These funds may be used for
27 the following:

28 (a) The operation of the talent action teams fast track system
29 to provide specialized economic assistance to businesses locating

1 or expanding in this state and developing customized solutions to
2 fill identified talent gaps in key industries.

3 (b) Grants to support industry-led collaboratives, USDOL-
4 approved apprenticeships, and other innovative sector strategies in
5 key industries to support the creation of good and promising jobs
6 that make this state's economy more resilient by addressing talent
7 shortages in current and future growth sectors in every region of
8 the state. Grant funds may be used for, but are not limited to,
9 training and activities proposed by the employer-led collaboratives
10 to address identified workforce needs, identify barriers, and
11 support solutions for barrier removal.

12 (c) To collaborate with institutions of higher education,
13 community colleges, Michigan works agencies, private training
14 providers, nonprofit entities, organized labor, state agencies, and
15 local units of government on this program. Services may include,
16 but are not limited to, assistance in the recruitment of talent to
17 this state, facilitating contracting with third parties to provide
18 workforce training, recruitment, and screening of job seekers on
19 behalf of qualified businesses, scholarships and resources for
20 individuals qualifying for in-demand occupations, and identifying
21 barriers and supporting solutions for barrier removal.

22 (d) Growth programs and activities including, but not limited
23 to, growth pilots across the state, research and polling,
24 engagement efforts for growth, and strategies to support talent
25 attraction and retention.

26 (e) Not more than 5% of the funds appropriated for talent and
27 growth may be retained by the department for administration.

28 Sec. 608. Funds appropriated in part 1 for Michigan innovation
29 fund must be expended for activities as described under 2024 PA

1 188, 2024 PA 189, and 2024 PA 190.

2 Sec. 609. In addition to the funds appropriated in part 1,
3 federal HUD-CPD community development block grant funding is
4 appropriated to complete all program activities from prior program
5 years ending with the 2022 program allocation per Executive
6 Reorganization Order No. 2023-1, MCL 125.1999. These funds may be
7 expended for the community development block grant program and
8 administration of the program.

9
10 **LEGISLATURE**

11 Sec. 701. Funds appropriated in part 1 for national
12 association dues must be allocated in the same manner as an amount
13 appropriated for national association dues as described in section
14 603 of article 5 of 2024 PA 121. The total amount allocated under
15 this section must not exceed the unexpended and unencumbered
16 amounts remaining on September 30, 2025 from appropriations for
17 national association dues described under section 603 of article 5
18 of 2024 PA 121.

19
20 **DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS**

21 Sec. 801. (1) From the funds appropriated in part 1 for
22 renewable energy and electrification infrastructure enhancement and
23 development, except as otherwise provided in subsection (10), funds
24 must be expended only for grants to businesses, nonprofit
25 organizations, and units of local or state government for the
26 purpose of planning, developing, designing, acquiring, or
27 constructing renewable energy and electrification infrastructure
28 projects.

29 (2) From the total amount of funds for grants awarded under

1 this section for electric vehicle fast-charging infrastructure, to
2 the extent possible, grants should be awarded with a goal of
3 distributing 50% of the total amount for charging ports with 2
4 connectors that provide charging at a power level of at least 200
5 kilowatts and 50% of the total amount for charging ports with 2
6 connectors that deliver charging at a power level of at least 350
7 kilowatts.

8 (3) The Michigan public service commission shall develop
9 guidelines for the grant program described in subsection (1) and
10 implement an application process for the grant program not later
11 than 6 months after the effective date of this act and must first
12 prioritize and approve grants that meet the goals of the governor's
13 MI healthy climate plan.

14 (4) Applicants for a grant under this section must perform an
15 impact study that includes an analysis of potential cost savings,
16 environmental impacts, and local economic benefits of the
17 applicant's proposed renewable energy and electrification
18 infrastructure project. A utility, at its sole discretion, may
19 prepare a single impact study that covers the utility's service
20 territory that accounts for likely proposals, evaluates regional
21 opportunities, and minimizes or eliminates the need for repetitive
22 studies. Sufficient detail must be provided in the study to allow
23 the Michigan public service commission to evaluate each proposed
24 project, including how the proposed project will align with the
25 governor's MI healthy climate plan.

26 (5) An applicant that applies for a grant to be used to
27 develop RNG infrastructure shall include all of the following
28 information in the applicant's application:

29 (a) The project details, including the location of biogas and

1 the proposed interconnection.

2 (b) The cost estimates for the interconnection, metering, and
3 gas conditioning equipment needed to connect to an existing
4 pipeline system.

5 (c) A summary of the environmental and health impacts of the
6 project, including the forecasted emission reductions.

7 (d) Any local economic impact from the RNG infrastructure
8 development.

9 (e) The end-use application for the RNG infrastructure with a
10 focus on projects being used for opportunities in this state.

11 (6) After receipt of an application under this section, the
12 Michigan public service commission shall allow local units of
13 government, environmental groups, and business interests directly
14 affected by the proposal 45 days to review the application and
15 provide comments. The Michigan public service commission shall
16 allow the applicant not less than 15 days after the comments have
17 been received from interested parties, at the applicant's
18 discretion, to modify or maintain the applicant's initial proposal.

19 (7) The Michigan public service commission shall review all
20 proposals and award grants to applicants it determines have met the
21 criteria in this section. All grants must include full and timely
22 cost recovery from the fund for the infrastructure requirements of
23 the affected utility made necessary by the grant. All grants must
24 be awarded on a competitive basis with priority given to applicants
25 in a distressed area. As used in this section, "distressed area"
26 means any of the following:

27 (a) An area in a city, village, or township that has been
28 designated as blighted.

29 (b) A city, village, or township with a poverty rate and

1 unemployment rate greater than the statewide average.

2 (c) An area certified as a neighborhood enterprise zone under
3 the neighborhood enterprise zone act, 1992 PA 147, MCL 207.771 to
4 207.786.

5 (d) An area facing a disproportionate environmental burden,
6 using the department of environment, Great Lakes, and energy's
7 MiEJScreen or EPA's EJSCREEN.

8 (8) Not later than 30 days after the completion of the
9 relevant project, grant recipients under this section shall submit
10 a report to the Michigan public service commission that details how
11 the grant money was used.

12 (9) The funds appropriated in part 1 for renewable energy and
13 electrification infrastructure enhancement and development must not
14 be used to expand the use of conventional natural gas.

15 (10) From the funds appropriated in part 1 for renewable
16 energy and electrification infrastructure enhancement and
17 development, the Michigan public service commission shall not use
18 more than \$125,000.00, upon awarding of the grants, for
19 administrative-related expenses incurred by the commission for the
20 operation of the grant program. Funds supporting the grant program
21 are appropriated in the Michigan public service commission upon
22 awarding of the grants.

23 (11) As used in this section:

24 (a) "Renewable energy and electrification infrastructure
25 projects" includes, but is not limited to, renewable natural gas
26 facilities and electric vehicle fast-charging infrastructure
27 upgrades on publicly owned land within 1/2 mile of a United States
28 highway or state trunkline roadway.

29 (b) "Renewable natural gas" or "RNG" means methane derived

1 from organic material and degradable carbon sources, including, but
2 not limited to, carbon sources and materials sourced from municipal
3 solid waste, septage feedstock, plant materials, or food waste.

4 Sec. 802. From the funds appropriated in part 1 for Michigan
5 indigent defense commission grants, it is the intent of the
6 legislature that the Michigan indigent defense commission begin the
7 statutory process of developing and implementing minimum standards
8 for youth defense services. This process would include the planning
9 and determining needs under the Michigan indigent defense
10 commission act, 2013 PA 93, MCL 780.981 to 780.1003.

11 Sec. 803. A grant distributed by the Michigan indigent defense
12 commission must not be used by an indigent defense system to
13 support any construction expenses for a new structure. This section
14 does not prohibit expenditures for renovations to existing
15 structures, if such a renovation is part of an indigent criminal
16 defense system's approved compliance plan.

17
18 **DEPARTMENT OF LIFELONG EDUCATION, ADVANCEMENT, AND POTENTIAL**

19 Sec. 901. From funds appropriated in part 1 for public service
20 focused careers program, \$250,000.00 must be awarded to the
21 Michigan Community Colleges Association to support a program
22 intended to encourage high school students and young adults to
23 pursue public service focused careers, including those in public
24 safety, education, and health care.

25 Sec. 902. Funds appropriated in part 1 for career and
26 education navigators for adult learners shall be awarded as grants
27 to community colleges that partner with 1 or more county
28 governments, where practicable, to supplement or create navigation
29 efforts for adult learners. The department of lifelong education,

1 advancement, and potential shall issue a report including, but not
2 limited to, the number of grants awarded, a list of community
3 colleges awarded grants and the amounts, and the amount of
4 unexpended funds remaining at the end of the fiscal year. The
5 report must be issued to the house and senate appropriations
6 subcommittees on community colleges, the house and senate fiscal
7 agencies, and the state budget director by September 30, 2026.

8
9 **DEPARTMENT OF TECHNOLOGY, MANAGEMENT, AND BUDGET**

10 Sec. 1001. From the funds appropriated in part 1 for menstrual
11 products, the MDTMB shall provide free menstrual discharge
12 absorption devices in the restrooms of buildings and facilities
13 that are owned or managed by the MDTMB. To the extent possible, the
14 MDTMB shall encourage the provision of menstrual discharge
15 absorption devices in buildings and facilities that are leased by
16 the MDTMB.

17 Sec. 1002. (1) The funds appropriated in part 1 for
18 information technology investment fund must be used for the
19 modernization of state information technology systems, improvement
20 of this state's cybersecurity framework, and to achieve
21 efficiencies.

22 (2) The MDTMB shall develop a plan regarding the use of the
23 funds appropriated in part 1 for the information technology
24 investment fund.

25 (3) The plan described in subsection (2) must include all of
26 the following:

27 (a) A description of proposed information technology
28 investment projects.

29 (b) The time frame for completion of the information

1 technology investment projects.

2 (c) The initial budgeted amount for each project.

3 (d) The number of employees assigned to implement each
4 information technology investment project.

5 (e) The contracts entered into for each information technology
6 investment project.

7 (f) Any other information the MDTMB considers necessary.

8 (4) The MDTMB shall submit a report to the standard report
9 recipients that includes the plan and the anticipated spending
10 reductions or overages for each of the proposed information
11 technology investment projects. The report must also include both
12 of the following:

13 (a) A comparison of the initial budgeted amounts and
14 cumulative costs, both by project and in total for all projects.

15 (b) The amount of any transfer of budgeted funds from 1
16 project to another.

17 Sec. 1003. (1) The make it in Michigan competitiveness fund is
18 created within the state treasury.

19 (2) Funds may be spent from the make it in Michigan
20 competitiveness fund only on appropriation or administrative
21 transfer pursuant to subsection (3).

22 (3) A transfer of funds from federal or state restricted
23 contingency funds into make it in Michigan competitiveness fund may
24 be made by the state budget director not less than 30 days after
25 notifying each member of the senate and house of representatives
26 appropriations committees. Those transfers may be disapproved by
27 either appropriations committee within the 30 days and, if
28 disapproved within that time, are not effective.

29 (4) A transfer approved under this section constitutes

1 authorization to transfer the amount recommended and approved.
2 However, the amount must be reduced by the state budget director to
3 be within the current unobligated amount of the appropriation.

4 (5) Transfers must not be authorized under any of the
5 following circumstances:

6 (a) To create a new line-item appropriation or to create a new
7 state program.

8 (b) To or from an operating appropriation line item that did
9 not appear in the fiscal year appropriation bills for which the
10 transfer is being made.

11 (c) To or from a work project as designated under section 451a
12 of the management and budget act, 1984 PA 431, MCL 18.1451a.

13 (d) Between state governmental funds.

14 (6) Interest and earnings from the investment of funds
15 deposited in the make it in Michigan competitiveness fund must be
16 deposited in the general fund.

17 (7) Funds in the make it in Michigan competitiveness fund at
18 the close of a fiscal year remain in the make it in Michigan
19 competitiveness fund and do not lapse to the general fund.

20 (8) Funds appropriated or transferred from the make it in
21 Michigan competitiveness fund are available to leverage federal
22 funding opportunities that include, but are not limited to,
23 infrastructure, health, public safety, mobility and
24 electrification, climate and the environment, economic development,
25 or other funding opportunities administered by the federal
26 government. Funding opportunities may be in the form of formula or
27 competitive-based grants, cooperative agreements, or contracts, and
28 may include funds contained in the infrastructure investment and
29 jobs act, Public Law 117-58, the CHIPS act of 2022, division A of

Public Law 117-167, the inflation reduction act of 2022, Public Law 117-169, or any other federal acts.

(9) The Michigan infrastructure office, in collaboration with the state budget director, shall form an interagency evaluation committee that includes the department of environment, Great Lakes, and energy, the MDLEO, the MDOT, the MSF, or other entities at the discretion of the Michigan infrastructure office, to develop program guidelines and selection criteria for the recommended appropriation or transfer of funds. The interagency evaluation committee shall make recommendations to the director of the MDTMB and the state budget director on the disbursement of funds. Funding must also be used to cover all costs related to the administration of this section.

(10) The MDTMB shall inform the legislature not later than 30 days after any federal funds are received that would be used as the basis for recommended appropriations or transfers from the make it in Michigan competitiveness fund.
